

Hairglasses (Hairband)

Originally produced as part of workshop collective called i4, Hairgalsses is a hairband for women available in either black or white soft shore ABS plastic. The design mimics a pair of sunglasses worn on the head.

Packaging design was also produced with a nod to it's Japanese origin.

Hairgalsses will fit most heads, and its plastic is flexible and durable to be shaped.

Size 160 x 180 x 50mm

Soft shore ABS plastic, natural finish
